Product Description

Offer your skin perfect, all-round care, with the Aloe Vera Moisturizing Body Balm

After taking a shower, you often omit the next important step, which is the application of body cream. Showering with hot water or taking your time in the shower can lead to skin dryness and roughness. Therefore, the application of a body cream is absolutely necessary. The Aloe Vera Moisturizing Body Balm offers ideal skin care after cleansing, due to its smooth texture and relaxing scent. With its 69% content in Aloe Vera, the Aloe Vera Moisturizing Body Balm offers rich moisture and leaves a fresh skin feeling.

The Aloe Vera Moisturizing Body Balm is super effective as it is easily spread on the body. Its caring formula absorbs easily, leaving the skin with a pleasant feeling of freshness, silky softness and a soft scent that lasts. Apply the Balm after taking a shower, or when you feel the need to offer your skin some extra relaxation. Enjoy its smoothness and soft scent and rejoice in the unique feeling of freshness and rejuvenation it provides.
